

# Boosh Play @ Home Program

Some activities to get you through what's hopefully left of lockdown or some ideas to do with friends as you're allowed to spend time with them again. We'd love to see photos or get feedback on anyone getting involved with these activities.

ACTIVITY	CATEGORY	EQUIPMENT	DESCRIPTION
<b>WATER BAG PENCIL EXPERIMENT</b>	Science	Ziplock Bags Skewers/Pencils Water	Pushing skewers or pencils through a zip lock bag and understanding the science of it
<b>3D HANDS</b>	Art	Paper Pencil/Texta	An easy art activity to get into and play with 3D visuals.
<b>CLAWS</b>	Origami	Paper Scissors	Absolute highlight of the program in my opinion, Andrew has put together these instructional vids for doing his famous origami from the comfort of your own lounge room.
<b>SELF POTRAITS</b>	Creative	Absolutely anything	Making self portraits or small versions of yourself out of household items or anything you can find around the neighbourhood

# Water Bag Pencil

**Location:** Outside

**Equipment:**

- Large plastic ziplock bag
- Skewers
- Water
- Tub to catch water in
- Jug

**Method:**

1. Fill up a large ziplock bag with water
2. Get the kids to take turns pushing skewers through the bag
3. Tell them to see how many they can get through till the bag leaks

**Explanation:** No water spills out of the holes because ziploc bags are made of a polymer. When you poke the sharp pencil into the plastic the pencil point slides in between the chain of molecules that make up the polymer. The molecule chains "hug" the pencil, making a seal around the pencil that won't let the water out

# 3D Hands

**Activity:** 3D hand drawing

**Location:** Inside Space

**Equipment:**

- Textas/pencils/paints
- Hands
- Paper

**Method:**

1. Draw a faint outline of a hand
2. Draw straight lines on either side of the hand across the page
3. Within the hand connect the lines with a curved line that stays consistent throughout the hand.

# Origami Claws

It's that simple, hit the link and Andrew will do the rest

# Self Potrait

Feeling inspired by spoonsville or other neighborhood creative projects? Here's one anyone can do.

It's an open-ended creative project to make a drawing or creation of yourself or a made-up character. Send us any photos or share them with your friends and neighbors.
